

## **Session Program**

**Apr 27 - 30, 2026**

# **NextGen Synergy: Control Theory and Machine Learning**

## ***SESSION II***

Faculty of Economics and Management, Czech University of Life Sciences  
Kamýcká 129, 165 00 Prague

# Mon, April 27

11:10 AM

## SESSION II

**Session** | **Location:** Lecture hall EI, PEF

11:10 AM - 12:10 PM

### Control theory and adversarial machine learning

**Speaker**

David Rios Insua

12:10 - 12:30 PM

### Reduced-Order Modeling for Parameter-Dependent Optimal Control: A map-parameter-to-latent approach

12:30 - 12:50 PM

### Opponent-Aware Soft Q-Learning

12:50 PM
