

Session Program

Apr 27 - 30, 2026

NextGen Synergy: Control Theory and Machine Learning

SESSION VII

Faculty of Economics and Management, Czech University of Life Sciences
Kamýcká 129, 165 00 Prague

Tue, April 28

4:10 PM

SESSION VII

Session | **Location:** Lecture hall EI, PEF

4:10 - 5:10 PM

Learning with Structure: How Systems and Control Theory Shapes Machine Learning for Dynamical Systems

Speaker

Kathrin Flasskamp

5:10 - 5:30 PM

LDNets: Latent Dynamics Networks, an architecture to learn and predict time variant fields

5:30 PM
