

Session Program

Apr 27 - 30, 2026

NextGen Synergy: Control Theory and Machine Learning

SESSION VIII

Faculty of Economics and Management, Czech University of Life Sciences
Kamýcká 129, 165 00 Prague

Wed, April 29

9:00 AM

SESSION VIII

Session | **Location:** Lecture hall EI, PEF

9:00 - 10:00 AM

Industrial Perspective on the Interplay between Control and Machine Learning

Speaker

Petr Stluka

10:20 AM

10:00 - 10:20 AM

Learning from data via overparameterization
