

Session Program

Apr 27 - 30, 2026

NextGen Synergy: Control Theory and Machine Learning

SESSION XII

Faculty of Economics and Management, Czech University of Life Sciences
Kamýcká 129, 165 00 Prague

Thu, April 30

9:00 AM

SESSION XII

Session | **Location:** Lecture hall EI, PEF

9:00 - 10:00 AM

Optimization and Machine learning in Traffic and Sensor Signals

Speaker

Markus Abel

10:00 - 10:20 AM

Non-conservative Stability Analysis of Linear Systems in Feedback with ReLU Neural Networks

10:20 AM
