

Session Program

Apr 27 - 30, 2026

NextGen Synergy: Control Theory and Machine Learning

SESSION IX

Faculty of Economics and Management, Czech University of Life Sciences
Kamýcká 129, 165 00 Prague

Wed, April 29

10:50 AM

SESSION IX

Session | **Location:** Lecture hall EI, PEF

10:50 - 11:50 AM **Online Learning in Digital Markets**

Speaker

Nicolò Cesa-Bianchi

11:50 AM - 12:10 PM

Recursive Estimation of ARX Model with Parameters Dependent on High-Dimensional Discrete-Valued Regressors

12:10 - 12:30 PM

A rigorous framework to certify predictions from physics-informed neural networks

12:30 PM
