

## **Session Program**

**Apr 27 - 30, 2026**

# **NextGen Synergy: Control Theory and Machine Learning**

## ***SESSION XIII***

Faculty of Economics and Management, Czech University of Life Sciences  
Kamýcká 129, 165 00 Prague

# Thu, April 30

10:50 AM

## SESSION XIII

**Session** | **Location:** Lecture hall EI, PEF

10:50 - 11:10 AM

**SIMONet: a deep learning framework for learning set-valued maps. Application to Control**

11:30 AM

11:10 - 11:30 AM

**Convex synthesis of mini-batch gradient methods**
